

It's the least we can do...

What if you had the opportunity to capture someone fresh out of college, eager to prove themselves to your company?

Someone who knows how to create and implement marketing communication activities. Someone who has experience working with real clients.

Or at the very least, someone who knows exactly how you'll take your coffee.

This someone can be yours for free from:
March 12th - April 20th.

Place your order today by contacting
Robyn Heaton at 613 863-7084.
